Proclamation

Whereas, autism is a pervasive development disorder affecting the social, communication and behavioral skills of those affected by it; and

Whereas, while there is no cure for autism, it is well-documented that if individuals with autism receive early and intensive treatment throughout their lives, they lead significantly improved lives; and

Whereas, individuals with autism often require a lifetime of specialized and community support services to ensure their health and safety; and

Whereas, by experiencing autism together we can spearhead an awareness effort in order to become better educated about autism and create a better community for individuals with autism

NOW, THEREFORE, I, Harlan County Judge Executive, Dan Mosley, do hereby proclaim April 2016 as NATIONAL AUTISM AWARENESS MONTH in the County of Harlan, and urge all citizens to participate in the National Autism Awareness Month activities.
